## *Our Staff & Services*

Residents enjoy both basic and extra services, which include three nutritionally balanced meals a day, weekly linen service and assistance with medications. *Family of Friends Assisted Living Facilities* are staffed by professionals who are trained and certified in CPR and emergency first aid. In addition, they undergo in-service training to help them stay on top of the issues facing seniors today. Our facilities are licensed by the State of Maryland and affiliated with the Baltimore County and City Department of Aging, Office of Aging for the State of Maryland and the Baltimore County and City Fire Marshall's Office.

### ***Family of Friends* is all of us and each of us working together.**

---

Our residents are encouraged to maintain a sense of independence and to pursue their own interests as much as possible. However, all residents can expect assistance with all their needs. Our list of services are comprehensive and include personal care (i.e., those services a resident would perform personally, but for which the resident needs assistance due to advanced age, infirmity or physical limitation.) and 24-hour supervision in a safe and comfortable home environment. We welcome all

Learn how your loved ones can get the care they need while enjoying the companionship of compatible individuals in a real family home. Call us.
